

TOUR INFORMATION

1. **RESERVATIONS:** Select your date well in advance and call us to book your visit. A deposit of \$50.00 is required and must be received two weeks prior to the scheduled date in order to guarantee that date for your tour.
2. **TOUR GUIDE:** A local tour guide will “step on” your vehicle and accompany you. The guide will point out unusual, interesting, and historical sites of the area as you travel through the countryside. The tour guides are volunteers and are not compensated by the chamber. The customary gratuity given to the guide is a minimum, \$40.00. Feel free to give more, especially for larger groups of 30 or more, as it would be greatly appreciated.
3. **FEE:** \$10.00 per person. The deposit will be subtracted from your total and the balance is due upon arrival. (*Your tour fee covers the basic cost for the chamber operation of the tours, a portion of the fees are given back to each of the four churches for their restoration and upkeep.*)
4. **TOURS START:** 9:00 am – 10:30 am. All tours will begin at The Greater Schulenburg Chamber of Commerce Visitors Center. The tour guide will be at the visitors’ center to meet your group.
5. **LUNCH:** Tours generally make a stop for lunch between churches. A list of local restaurants is provided on our web site under *Dining*. Feel free to call us for assistance in making a reservation.
6. **TRANSPORTATION:** You will provide the transportation and allow a seat for your tour guide. Buses, vans, RVs, motorcycles, cars and caravans are acceptable.
7. **CANCELLATIONS:** If you need to cancel, we will permit you to reschedule and transfer your deposit to another day. The cancellation must be made one week prior to the scheduled tour in order to reschedule. The tour deposit is non-refundable.
8. **MISCELLANEOUS:** Please stay with your guide at all times. Restrooms are available at most of the churches and there are plenty of restrooms at the Visitor Center. Each church that you will visit is an active church, please be courteous of those who may be coming in to worship and please show respect by **not** going onto the altar or up the stairs and by refraining from ringing bells or touching the sculptures and paintings. If a church is conducting a service, we will by pass the church. If time permits, your guide may show you another historical church or come back to see that church last.
